

600ml silverchrome

This new can has been completely redeveloped for maximum coverage in minimum time. The Montana Silverchrome 600ml is equipped with its easily identifiable unique shiny Chrome Fat Cap. This lusciously deep Silverchrome is compatible with other colors leaving a full deep, coat. Also boasting consistent pressure from start to finish for consistent application. To further the potential of this Silver Chrome, Montana GOLD and BLACK covers it immediately and allows rapid application of outlines or details over it.

600ml Tarblack High-Pressure

High-Pressure Bitumen can. Newly formulated, this can comes equipped with a Gold fat cap for extra wide lines, **extra fast with constant pressure from start to finish.** Forget the brownish shade of standard Tar Black products, the Montana Tarblack is a rich, deep black. Compatible with all colours, NEW Montana TARBLACK also now allows you to paint over with other colours without the typical tarblack reactions. No mounting of paint around the nozzle, no bleaching and no whitening.

500ml Tarblack Low-Pressure

Low-Pressure Bitumen can. Newly developed and reformulated. Equipped with the Fat cap White-Pink for tight wide lines. Compatible with the 1-5 level caps. **This innovative new tool allows you to use TARBLACK in „Skinny mode“ for the first time.** Engineered to allow optimal performance with skinny caps for clean outlines and details. Experience the smoothness of this Low-Pressure can! Never before has a tarblack functioned this well in multiple uses. No mounting of paint around the nozzle. No bleaching. No whitening. Deep black.

the New Montana BLACK 400ml

The new Montana Black High-Pressure NC paint base formula. The superior can of its class. Re-developed with 102 powerful, high coverage matt finish colors that can be applied to any surface.

PLEASE NOTE: This color chart is not 100 % colorproof. Due to printing limitations some colors especially like metallic effects or Neon colors may not appear exactly like those printed.

The new NC Formular Montana BLACK consists of 102 powerful matt finish colors for maximum vibrance. The full Montana BLACK color range is optimized to cover all surfaces with maximum opacity. This formular decreases the need for re-application thus decreasing time required to make your artwork. To avoid affecting the impact and purity of the color, we have added as much pigment as possible. Always remember to shake well before use for optimal results. WWW.MONTANA-CANS.COM
